Kreivo International is the trusted training and consulting partner for energy companies across Africa and the Middle East. For over 15 years we have helped organisations in oil and gas, power, and renewable energy build competitive, capable, future-ready workforces.

Programmes built by practitioners who run procurement in the real world, not off-the-shelf courseware.

ROTIMI FEYISITAN · FOUNDER & CHIEF
EXECUTIVE

From our roots in procurement training, we now deliver 120+ programmes across SAP Ariba, supply chain management, executive leadership, and digital transformation. Every engagement is grounded in deep industry expertise, immersive learning design, and pre- and post-programme assessment, so outcomes are measured rather than assumed.

ERP & SAP Ariba, end to end

Our deepest expertise. We take procurement teams from system familiarity to confident daily use across the full Source-to-Pay lifecycle, built around your live procurement context rather than generic walkthroughs.

● Sourcing & supplier management

● Contract management

● Guided buying & operations

● Source-to-Pay integration

● Reporting & analytics

SAP Ariba is where our expertise runs deepest, but it is one part of a wider practice. **Our full portfolio, overleaf**, spans training, consulting, coaching, virtual delivery and competency development.

Five more ways we build capability

Corporate Training
